U OF M ARCHITECTURAL EXHIBITION

Archigram

Through February 20th, the University of Michigan Taubman College of Architecture and Urban Planning is exhibiting the work of 1960s avant-garde architecture group Archigram through February 20. The show, organized by Archigram member Dennis Crompton, presents exhibition pieces, collages, drawings, and films from the group of six young architects. [Check it out today!](#)

MY MESSAGE...

Dear Construction Associates and Friends,

In many ways, our New Year has started out with a boom! We had our first quarter board meeting in Lansing at the Small Business Association of Michigan. Many thanks to our Vice President, Tom Mathison, for hosting the event. We welcomed new and returning MAF Trustees, who are also Trustees of AIA Michigan. Newly appointed was Lisa Demankowski and returning Trustees are Brandon Kinsey, Dan LaPan and Norm Hamann. Thank you all for sharing your time and talents with MAF for 2017.

The Grant Committee, chaired by Damian Farrell, received 6 grant requests that were reviewed. Three were approved by the committee and brought to the full board for approval. Approval was given and Damian will be notifying the recipients of their grant support.

The Golf Subcommittee of the Development Committee, has been very busy lately planning the agenda for this year's outing this Spring. Special thanks go out to Carl Roehling and Kevin Schultis for their work on preparing the "on-line" outing information and registration format that will be available in early February. The outing was advertised in last month's newsletter as... a "one of a kind" golf outing, that will take place on May 22, at the Dearborn Country Club. I can't tell you more, but you are going to want to be a player in this one, and we will be limiting participants to 100 golfers. I have seen nothing like it! Please consider playing and/or sponsoring in one of the many ways shown on the form.

Robert P. Washer,
Hon.
Aff. AIAMI,
FESD President,

MAF has been featured by [Great Lakes by Design magazine](#) this month and they have done a very good job of explaining who we are and what we do. Many projects designed by local Architects are shown within the article.....so please take a moment and go to the following link.... www.greatlakesbydesign.com.

As I repeat every month, we are YOUR Foundation, that has a mission to make the public aware as to how Architecture enriches our lives. It is our objective to spread this news. Again, please feel free to contact me, or any of our Board members, if you have programs or events that we can consider and support.

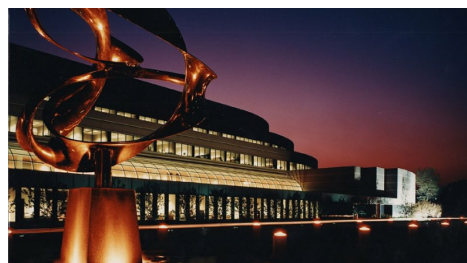

Let's make 2017 the best ever! I look forward to hearing from you.

GREAT LAKES BY DESIGN

An Architectural Movement

Last month the Michigan Architectural foundation was featured in Great Lakes by Design magazine. The article highlights our youth programming and the financial resources we provide to youth education. [Check out the article here!](#)

EVANS - GRAHAM MEMORIAL PRESERVATION AWARD

Grant Application

The Evans - Graham Memorial Preservation Award promotes the practice of historic preservation by giving encouragement and support to not-for-profit (501c3) community groups seeking to restore important resources. By showcasing innovative solutions to specific preservation problems, the award encourages architects to embrace preservation projects and acknowledges the contribution of historic preservation architect, David Evans, FAIA. For information about award criteria, visit our website [here](#). [Apply for the Grant here.](#)
