

*April 2014 Newsletter*

## Welcome!

Follow MAF on Twitter, FaceBook and Linked In!

Welcome to Michigan Architectural Foundation's e-newsletter! If you experience problems viewing this email, please [click here](#) to view it on our website. This monthly publication connects architectural enthusiasts and supporters, educators, and the media with Michigan's architecture through feature stories about architectural treasures, and opportunities for you to participate in programs, lectures, events and tours.

- Join our [Linked In Group](#) or "Like" our [FaceBook page](#), and contribute your own comments, questions or items of interest
- Follow us on [Twitter](#) to get the latest news on architecture in Michigan.
- Sign up to follow [our blog](#) (just enter your email address in the box at the bottom of the left column).

Check out our website at [www.MichiganArchitecturalFoundation.org](http://www.MichiganArchitecturalFoundation.org) for information about grants, scholarships, and architectural resources!

## 2014 Scholarship Winners Recognized

Over \$10,000 was awarded to seven of Michigan's top architectural students!

Michigan Architectural Foundation provides financial support for students of architecture, and projects that promote, preserve or perpetuate architecture as a fine art. By serving as a visible resource for funding, we increase the public's appreciation for architecture, which encourages cohesive, sustainable communities, increasing economic value, enriching experiences and adding beauty.

## Register Now for the Michigan Infrastructure Conference May 8, 2014, MSU Kellogg Center, East Lansing

The 2014 Michigan Engineering Conference - held in cooperation with the American Council of Engineering Companies (ACEC) of Michigan, the American Society of Civil Engineers (ASCE) Michigan Section, and the Urban Land Institute (ULI) - will have a strong focus on Michigan's infrastructure and its impact on the economy. Leaders from the private sector, Michigan Department of Transportation, local government, and academia will come together to discuss the current state of our infrastructure and how we can overcome challenges and work together to make Michigan a destiny for businesses and a hot bed for economic growth.

[Click here](#) for more information and to register.

## **Save the Date for AIA Michigan Green Health Summit**

September 8, 2014 @ Christman University, Lansing MI

## **Donate to the Michigan Architectural Foundation**

Michigan Architectural Foundation is dedicated to the promotion, perpetuation and preservation of architecture as a fine art. By serving as a visible resource for funding, information and educational programs, we increase the public's appreciation for architecture, which encourages cohesive, sustainable communities, increasing economic value, enriching experiences and adding beauty.

The Foundation relies on the support of corporate and individual sponsors, patrons and donors to fund its educational, scholarship and grant programs.

Please consider supporting our programs – [click here](#) for more information!
