

**Architectural Feature Story  
AIA Michigan 2012 Design Winners**

*Kettering University Incubator Building  
Flint, Michigan*

This 12,000-square-foot, multi-tenant facility called **the Kettering University Science and Technology Incubator Building** will support scientific and technologically-based 'start-up' companies that need dedicated laboratory space during their first three or four years.

The \$2.7 million facility is being made possible by support from the U.S. Department of Commerce, State of Michigan funds through the City of Flint, and the Charles Stewart [Mott Foundation](#).

Prospective companies for this new incubator will come from:

- "spinouts" from regional universities, their faculty members and student entrepreneurs;
- regional scientific and technological entrepreneurial start-ups and
- entrepreneurial start-up companies currently outside Michigan but wish to re-locate.

**The David Evans Memorial Preservation Grant winner  
Bonine House Tower Lookout and Roof Restoration**

**Bonine House post-Civil War Second Empire remodel  
(house will be restored to this time period)**

Acknowledging the contribution of historic preservation architect, David Evans, FAIA, this Michigan Architectural Foundation grant promotes the practice of historic preservation by giving encouragement and support to not-for-profit (501c3) community groups seeking to restore important resources and showcasing innovative solutions to specific preservation problems.

This year's recipient is the Bonnie House Tower Lookout and Roof Restoration project, submitted by [Copper Country Preservation, Inc.](#) in Calumet, MI.

## Donate to Michigan Architectural Foundation Silent Auction!

The Michigan Architectural Foundation is a financial vehicle to support the art of architecture. The Foundation relies on the support of corporate and individual sponsors, patrons and donors to fund its educational, scholarship and grant programs.

The MAF Silent Auction was created to raise funds to help grow the Foundation's endowment. Please consider helping by donating an item to this year's auction, to be held in August.

[Click here to check out one of our most exciting items – a cooking class with Chef Fred!](#)

Need ideas? Past donations have included gift certificates, wine tastings or gourmet dinners, golf outings or equipment, children's items, sailing trips, condo or villa trip packages, plane or helicopter rides, clothing and novelty items, gift baskets, sporting event tickets, wine, electronics, jewellery, airline tickets, cooking classes and artwork. Be creative! We greatly appreciate any donation. [Click here](#) to complete a form for your donation.

Please [click here](#) to send an email with any donations or questions to Michelle Saroki, Co/Chair of the Auction, or call 248.258.5707 ext. 19

Please consider supporting our programs – [click here](#) for more information!

Thank you to past [MAF Sponsors!](#)

## Rain or Shine, the Dumke Open is a Success!

The Dumke Open was established in 2011, as a source of revenue for the Dumke Development Fund, which helps to support Michigan Architectural Foundation programs.

This year's event was held on June 11. As Rae Dumke shares, "The outing started with rain...a tradition from 2011 and it rained steady for a couple of hours but most everyone finished and a good time was had by all. We filled the course thanks to all Bob Washer's efforts, the event coordinator."

Lunch, dinner and refreshments were great provided by Travis Pointe CC in Ann Arbor. Several MAF board members volunteered to run the event, and Bill Dunn provided first class signage.

Stay tuned for more information about next year's Dumke Open!

### **Who is the Michigan Architectural Foundation?**

*Our mission is to promote how architecture enriches life.*

Michigan Architectural Foundation is dedicated to the promotion, perpetuation and preservation of architecture as a fine art. By serving as a visible resource for funding, information and educational programs, we increase the public's appreciation for architecture, which encourages cohesive, sustainable communities, increasing economic value, enriching experiences and adding beauty.
